

Greater coverage with high power wireless signal

Control and monitor your network from anywhere with Cloud Services

Wirelessly access your saved media from included USB port

Cloud Router 1200

Wireless N300 Gigabit Router with Cloud Services

Product Highlights

Great coverage with high power wireless signal

Control and monitor your network from anywhere with Cloud Services

Wirelessly enjoy your saved media from any USB drive

Four Gigabit ports for blazing fast wired connectivity

DIR-636L

What this product does

The D-Link® Cloud Router 1200 (DIR-636L) provides high-powered wireless connectivity throughout your home. It also lets you check in on your home network from anywhere, which is ideal for peace of mind. You can also wirelessly access your favorite videos, music and photos from any connected USB drive. Best of all, the Smartphone apps for network management and file access are absolutely free.

Mobility and network control in the palm of your hand

Not only is this a powerful Wi-Fi router for creating a fast and secure home network, you get the added benefit of remote network management via the Cloud. Keep in touch with your network from anywhere with our Smartphone and Tablet apps and web portal (mydlink.com)

Package Contents

- Cloud Router 1200
- Ethernet Cable
- Power Adapter
- Quick Install Guide¹

Minimum System Requirements

Computer with:

- Windows® 7, Windows Vista®2, Windows® XP SP2², or Mac OS® X (v10.4)
- Internet Explorer® v6, Mozilla® Firefox® v3.0, Google Chrome or Safari
- Network Interface Card

For Internet Access:

- Cable or DSL Modem
- Subscription with an Internet Service Provider (ISP)

Mobile Apps:

- SharePort Mobile App Requires iOS 4.3 or higher

Suggested Products:

- D-Link Rangebooster N USB Adapter (DWA-140)

Features

- IEEE 802.11n, 802.11g
- + Speeds up to 300Mbps³
- + Wi-Fi Protected Setup™ (WPS) Push Button
- + Intelligent QoS Engine for traffic optimization
- + USB 2.0
- + IPv6 Certified
- + 4 Gigabit Ethernet Ports
- + Support for Secure Wireless Encryption using WPA™ or WPA2™
- + 24/7 Basic Installation Support⁴
- + 1-Year Limited Warranty⁵

With mydlink Cloud Services you can:

- See what devices are connecting to your network
- View web browsing history in real time
- Block unwanted device connections
- Set up automatic email alerts

4 Gigabit Ports

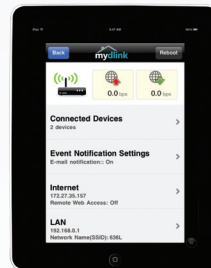

The DIR-636L also comes with 4 Gigabit ports for connecting Ethernet-enabled devices. This lets you connect up to 4 entertainment devices for super-fast connections. This is perfect for an entertainment system. You can also use this to hook up a home office.

USB Port

You can share a USB storage device, providing network storage for everyone to share.

mydlink™ App

Free mobile app for monitoring and controlling your network from anywhere

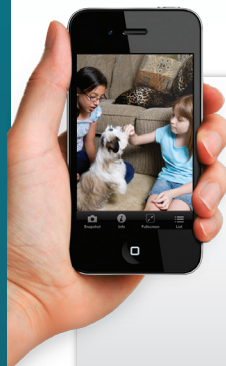

Control and monitor your network from anywhere. Access security and network information and view web browsing history all through the free mydlink Smartphone app or web portal. Never worry about the security of your home network again.

SharePort Mobile App

Free mobile app for enjoying your media files

Enjoy your videos, music and photos from your Smartphone or Tablet. Just download the free app and connect an external hard drive or other USB drive to your SharePort Mobile-enabled D-Link router.

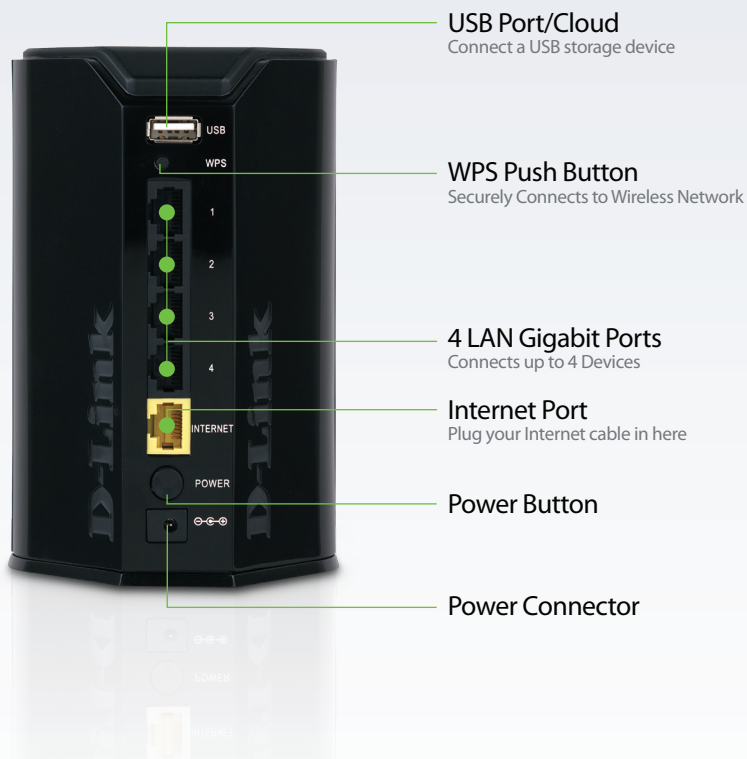

Add a D-Link Cloud Camera

- Keep an eye on what's important from anywhere
- Easily view & manage your camera from mydlink.com

- 10/100/1000 Gigabit Ethernet Port

Security

- Wi-Fi Protected Access (WPA/WPA2)
- WPS™

LEDs

- Power
- Internet

Power

- DC 12V

Operating Temperature

- 30° to 104° F (0° to 40° C)

Operating Humidity

- 10% to 95% non-condensing

Certifications

- FCC
- IC
- IPv6
- Wi-Fi®

Dimensions

- 4.37" x 3.66" x 5.71"
(111 x 92.96 x 145 mm)

Warranty

- 1-Year Limited Warranty⁵

¹ Latest software and documentation are available at <http://support.dlink.com>.

² Computer must adhere to Microsoft's recommended System Requirements.

³ Maximum wireless signal rate derived from IEEE Standard 802.11 specifications. Actual data throughput will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate. Environmental factors will adversely affect wireless signal range. Wireless range and speed rates are D-Link RELATIVE performance measurements based on the wireless range and speed rates of a standard Wireless G product from D-Link. Maximum throughput based on D-Link Wireless N devices.

⁴ 24/7 Basic Installation Support is available only in the USA for the first 30 days from date of original purchase. An additional 60 days of Basic Installation Support (for a total of 90 days from date of original purchase) is available in the USA by registering this product at www.dlink.com/register within the aforementioned 30-day period. Extended premium support available.

⁵ 1-Year Limited Warranty available only in the USA and Canada.

All references to speed and range, including the performance chart, are for comparison purposes only. Product specifications, size, and shape are subject to change without notice, and actual product appearance may differ from that depicted on the package. See inside package for warranty details.
